**SERVICE DISCONTINUATION NOTICE OF PC CONNECTION, INC.**

PC Connection, Inc. ("PCC") submits this Notice with reference to the Commission's Order of June 3, 2005 in WC Docket Nos. 04-36 and 05-195, the Commission's rules published at 47 C.F.R. § 9.5(e), and the Public Notice issued by the Enforcement Bureau on November 7, 2005 (DA 05-2945). PCC submitted Subscriber Acknowledgement Reports to the Enforcement Bureau on August 10, 2005, September 1, 2005, September 22, 2005, and October 25, 2005. However, PCC has recently decided to cease offering its IP Connection service to all subscribers, and, as of the date of this filing, has discontinued the service entirely. Accordingly, PCC does not presently offer any service that is subject to the Commission's E911 requirements. PCC is submitting this Notice as a courtesy to the Commission and to avoid any confusion about why PCC has not submitted a Compliance Letter.

Respectfully submitted,

/s/ Bradford M. Berry
